Phaser® 6600 Colour Printer and WorkCentre™ 6605 Colour Multifunction Printer

The value of enhancing your company's image is immeasurable. And with the value-packed Phaser 6600 Colour Printer and WorkCentre 6605 Colour Multifunction Printer, today's busy work groups can easily make important business communications stand out from the competition with exceptional colour printing.

Colour That Gets Your Work Noticed

No matter what business you're in, the Phaser 6600 and WorkCentre 6605 give your image an essential, colourful advantage.

- **Prints that sell your business.** A print resolution of up to 600 x 600 x 4 dpi (1200 x 1200 enhanced image quality) makes your printed communications stand out and grab attention.
- **Enhanced output.** Photo Mode makes your images and graphics look exceptional, producing deeper, richer colours for lifelike vibrancy.
- **Unique Xerox EA Toner.** Fuses at a much lower temperature, and reduces power consumption by up to 20% and CO₂ emissions by up to 35%, compared to conventional toner. It's also oil-free, delivering brilliant, glossy output, even on ordinary or recycled paper.
- **Always the right colour.** Pantone® Colour calibrated solid-colour simulations and Xerox colour correction technology ensure results that match your expectations.
- **Consistent precision.** True Adobe® PostScript® 3™ ensures your print jobs are consistently accurate, with the brightest, truest colours and superior graphics.

High-power Capabilities

The Phaser 6600 and WorkCentre 6605 deliver a host of capabilities and powerful options made affordable for small workteams.

- **Reduce your paper usage.** Automatic two-sided printing on the DN configurations makes saving paper easy, and gives your documents a professional appearance. Plus, N-up printing lets you output multiple pages on one sheet, which is particularly useful when printing presentations.
- **Wireless freedom.** Place the Phaser 6600 and WorkCentre 6605 anywhere in the office with optional Wi-Fi.
- **Less to replace.** High-capacity toner cartridges allow longer periods of uninterrupted productivity, and help you reduce your total cost of operation over time.
- **Consolidate and save.** The value packed WorkCentre 6605 saves energy and supplies costs by combining the functions of a copier, printer, scanner and fax – all in one device.
- **Stay secure.** Keep your sensitive documents away from unintended recipients with available secure print¹, and protect access to device features with front-panel PIN code authentication.
- **Total peace of mind.** Reliability is backed by our standard one-year on-site warranty.

Productivity Simplified

The Phaser 6600 and WorkCentre 6605 support fast-paced workteams with time-saving productivity advantages and features designed for total simplicity.

- **Print and go.** The Phaser 6600 and WorkCentre 6605 work quickly, with colour and black and white print speeds of up to 35 ppm.
- **Load paper less often.** The main 550-sheet paper tray holds a full ream of paper – no more half-empty packages taking up valuable storage space. An optional 2nd tray increases total capacity up to 1,250 sheets for even longer periods of uninterrupted productivity.
- **Simple as can be.** The innovative and tilting 4.3-inch touch screen on the WorkCentre 6605 features bright, colourful icons and intuitive navigation for optimal ease-of-use.
- **Digitise your workflows.** Use the WorkCentre 6605 to scan your hard copy documents and get text-searchable digital files that can be automatically shared via email or network folder, or saved on the device or any USB memory device for true portability.
- **Easy startup and everyday operation.** You'll be up and running in minutes, and with Xerox® CentreWare® IS, remote device administration is handled with ease right from any networked computer's browser.
- **Go mobile.** Print directly from Apple iOS-based devices with support for Apple AirPrint².
